OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE,

Dated Bangalore, 28th February 1936

FROM

K.V. Anantaraman, Esq., B.A.,

Revenue Commissioner in Mysore.

To M. Venkatesa Iyengar, Esq., M.A.,
General ~~Secretary~~ *Secretary to the Government*
of His Highness the Maharaja of Mysore,
Bangalore.

Toll-gates - departmental management of - 1936-37.

Adverting to Government Orders No.P.4208-4219/Legis. dated the 31st December 1935 and P.4533-3/Legis. 45-35 dated the 13th January 1936 sanctioning the establishment required for working 14 Main Toll-gates and a Sub-gate departmentally for a period of 6 months from 1st January 1936, I have the honour to state as follows:--

2. As the period for which the above establishments are sanctioned will expire on the 30th June 1936, the Comptroller to Government has provided for the pay of the establishment for one month only in the Budget Estimates for the year 1936-37. As it is desirable to continue the establishment to work the toll-gates departmentally during the next year also, I request you to be so good as to obtain sanction of Government for the continuance of the establishment referred to in the above Government Orders for another year commencing from the 1st July 1936 as per details not in the accompanying schedule. I may be permitted to state the provision has been made for the supply of clothing next year, as the supply which has been made during the current ~~xx~~ half year will require replacement in the second half of the next official year.

3. The establishment of 2 Toll Keepers on Rs.15/- each and 2 peons on Rs.10/- each per month and the contingent allowance of Rs.100/- sanctioned in Government Order No.4857-59/R.M.49-34 dated the 27th March 1936 for the working of the Wellesley Br[illegible]

Wellesley Bridge Toll-gate may also be ordered to be continued during the year 1936-37.

4. In this connection, I may also be permitted to state that the new Regulation and Rules thereunder do not seem to have been correctly understood by most of the Toll-gate Contractors, as a result of which they had not come forward with proper bids for securing the right of collecting tolls at the sales of the Toll-gates recently held by the Deputy Commissioners. This has resulted in loss of Revenue to Government as compared with the figures of the past years.

5. Besides the responsible task of collecting taxes and issuing licenses in respect of the vehicles coming-from the other Provinces into the State devolves upon the staff of the several Frontier Toll-gate many of which are now let out on contract. As the Contractors are not likely to employ intelligent staff with the requisite training and knowledge in working the new rules, it seems better that some more Toll-gates are also taken over under Government management. I would therefore suggest that the following frontier and important interior Toll-gates may be taken over under Government management during the year 1936-37 and establishment as noted in the accompanying schedule may be sanctioned for these Gates. The scale for this staff is based on that sanctioned in Government Order No.P.4208-19/Legis. dated the 31st December 1935.

In the docket under reference, a reference seems to have been made to Government to entertain only 2 Mutsaddies and 3 Peons in regard to Sivasamudram gate. On the other hand, 4 Mutsaddies and 6 Peons are required as in the case of Muthur and Koppa toll-gates in Periyapatna Sub Taluk.

In these circumstances, I have in anticipation of your approval and sanction of Government, issued orders to ~~xxxx~~ to entertain 4 Mutsaddies and 6 Peons in respect of Sivasamudram toll-gate.

With regard to the common toll-gate located at the junction of the two ~~Kxtxxlx~~ bridges viz., Sri Krishnarajendra bridge across the Cauvery, and Sri Vani Vilas bridge across the Kapila at T.Narasipur, and which has ~~xx~~ also to be worked departmentally vide Government Order No.P.8148-9/Legis. 16-35-75 dated 8th/11th June 1936 - no mention is made therein egarding the staff to be employed. I invite kind reference to this office letter No.D7. 4128/35 dated the 18th instant containing my proposals in respect of this toll-gate recommending the entertainment of two Mutsaddies on Rs. 25/- each, 4 Peons on Rs. 10/- each. Apart from this, a lumpsum grant is also required for the purchase of clock, lanterns, etc and to meet the monthly contingent charges. I have, in anti cipation of your approval, and subject to sanction of Government, issued orders to the Amildar, T.Narasipur Taluk to entertain the marginally noted staff.

I request that immediate sanction of Government may kindly be obtained on both the proposals.
